

# GW Homes

## *Designed better, Built better*

### *What Does “Designed Better, Built Better” mean for GW Homes?*

#### **Designed Better:**

- 50 years design experience for the QLD climate
- 50 years and 3 generations of building experience
- Highly trained internal design staff
- We have an in-house interior designer
- Our Designs and specifications are continually evolving with families changing needs
- We provide a budget driven custom design service
- GW Homes only select the best suppliers and trades people in the industry

#### **Built Better:**

- Lifetime structural warranty\* conditions apply
- Family owned company – over 50 years
- We are one of the oldest residential builders in Queensland
- We are proud to be a part of the QBCC tender panel for over 20 years. Being part of this elite panel, gives us the opportunity to assist QBCC in finishing homes other builders can't complete
- All GW Homes building supervisors are registered builders
- GW Homes have long serving building contractors with some being second and third generation
